Disclosure of Potential Conflicts of Interest

I understand that I am required to disclose any potential conflicts of interest related to this work in compliance with the guidelines of the International Committee of Medical Journal Editors (ICMJE). I disclose all relationships, activities, and interests related to the content of this manuscript using the ICMJE disclosure form (www.icmje.org/coi_disclosure.pdf).

Copyright Transmittal Statement

In consideration of the Korean Society of Cataract and Refractive Surgery (KSCRS) reviewing and editing my (our) submitted manuscript, the undersigned author(s) hereby transfer and assign copyright ownership of the text and any accompanying images (including video) to the KSCRS in the event that the work is published by the KSCRS. The transferred copyright includes worldwide rights for all forms of publication, both existing and future, including but not limited to print, electronic, CD-ROM, and online distribution. These rights also include reproduction, distribution, adaptation, and publication of the material in whole or in part, either individually or as part of a collective work. The author(s) declare that the manuscript is original, has not been submitted to, is not under consideration by, and has not been previously published in any format.

Authorship Criteria and Contributions

By submitting this manuscript, I certify that I have made a direct and substantial contribution to the research presented. I confirm that I meet all of the following criteria: ① Contributed significantly to the conceptualization or design of the research, acquisition of research data, analysis, or interpretation. ② Drafted important academic content or critically revised it. ③ Given final approval for the version to be published. ④ Agreed to be accountable for all aspects of the research, ensuring that questions regarding the accuracy or integrity of any part of the work are appropriately investigated and resolved. I agree to allow the corresponding author to serve as primary correspondent with the editorial office.

The signature of all authors below indicates our agreement with the above three statements.
